Using DNA Super Prepaid or DNA Rajaton Prepaid subscription abroad: In EU/EEA countries calls and SMS to normal-priced numbers to Finland, to the country of residence and to other EU/EEA countries for domestic price. Does not concern calls or messages to service numbers or to business numbers. The international calls and messages made from Finland to other countries will be charged according to a separate price list. The price plans, internet packages and unlimited packages include an EU data package. As long as the roaming data usage is within the EU data package's limits the data usage is charged with the domestic tariffs. For more information, see **dna.fi/euroaming**.

The use of the subscription outside EU/EEA is charged according to a separate price list, see **dna.fi/ulkomaila**.
